Christopher Bigsby's masterful two volume biography of Arthur Miller sheds new light on one of the twentieth century's most acclaimed literary figures. Plays such as *Death of a Salesman*, *A View from the Bridge* and *The Crucible* brought Miller an international following and events such as his refusal to provide information to the House Un American Activities Committee and his marriage to Marilyn Monroe kept him in the public eye. The second half of his life Bigsby's unsurpassed achievement confirms what many have acknowledged with respect to Miller: attention must be paid. — H I Einsohn CHOICE
