Berenice and Bajazet (Ff Plays):

3 of 3 review helpful Out in the Eastern desert what grief came to me By Toronto This is a clean fine no nonsense translation of two of Racine's lesser known lesser known in the Anglo Saxon world that is plays They aren't attempts at rhyme or Alexandrines or such Plain English doesn't have the drawn bow tautness of simple French except in Beckett and early Hemingway I guess but these would still come across The critical event in Berenice the death of Titus's father the Emperor Vespasian happens a week before the play opens Thereafter Titus knows that his separation from Berenice is inevitable Thereafter Titus knows that his separation from Berenice is inevitable The breaking off of a great love affair involves too the hopes of Antiochus himself long in love with Berenice The play pushes all three of its principals to the brink not of revenge but of self About the Author Alan Hollinghurst is the author of four novels The Swimming Pool Library The Folding Star The Spell and the winner of the 2004 Man Booker Prize The Line of Beauty
