From Underwords : Geek Theater humorous views on interesting bizarre and amusing articles submitted by a community of millions of news junkies with regular photoshop contests geek squad remote support is available day or night for all of your technology needs including virus and spyware removal ipod help and more online computer Geek Theater:

Geek Theater showcases 15 science fiction and fantasy stage plays by some of today's top authors and award winning playwrights and is the first anthology that truly delves into the world of speculative fiction theater. Until recently, modern science fiction and fantasy stage plays have largely gone unnoticed despite the proliferation of plays and performances by theater companies around the world. These plays are an important part of the science fiction and fantasy canno
