Eugene O'Neill Nobel Laureate in Literature and Pulitzer Prize winner is widely known for his full length plays. However his one act plays are the foundation of his work both thematically and stylistically they telescope his later plays. This collection aims to fill the gap by examining these texts during what can be considered O'Neill's formative writing years and the foundational period of American drama. A wide ranging investigation into O'Neill's one acts. th Eugene O'Neill's One Act Plays New Critical Perspectives is an important addition to O'Neill studies and one that is likely to contribute to the playwright's second birth. Eugene O'Neill Bennett and Carson have assembled a team of outstandi
