By Rob Drummond : Grain in the Blood (Modern Plays) a vampire is a being from folklore that subsists by feeding on the life essence generally in the form of blood of the living in european folklore vampires were the

egyptians appear to have reversed the ordinary practices of mankind women attend markets and are employed in trade while men stay at home and do the weaving Grain in the Blood (Modern Plays):

Twelve years ago from the mouth of a great sacrifice a child was born And they called her Autumn Isaac returns to his family home with a chance to atone for the terrible mistake that claimed his childhood Autumn is a little girl whose time is running out With three sleeps left before her birthday she can only hope for a miracle or an unexpected act of selflessness Her grandmother Sophia brings them together in a desperate attempt Wonderfully entertaining but emotionally devastating Remarkable multi layered and utterly gripping Guardian on Bullet Catch It delicately sits between truth and fiction playing with the intangibility of magic and human connection Stage on Bull
