(Modern Plays):

I'd always been interested in the referendum. Followed every bit of it. Was as surprised as anybody at the result. When I saw that they needed new people for the transition, experienced people, I jumped at the chance. Scotland has gained independence. It's the eve of the Scottish Foreign Minister giving her first public address and in half an hour she is due to make a keynote speech outlining the nation's relationship with its neighbours in the former UK. McCann uses his own facility with words to lay bare the treachery of political language and suggest that it's time to speak plainly and truthfully at last. Guardian. Beyond the ephemeral moment of the referendum, this lively piece also has timely points to
