(Modern Plays):

I am nothing Nobody One day I could forget what I have done Then I am nothing with no past My knife is to tell me  
who I am It is my passport to myself The Chair Plays are three one act plays that Edward Bond has combined into one  
continuous drama on the state of society towards the end of the present century Faced with ecological disaster and  
economic chaos governments have become authoritarian and repressive Domestic family life struggles to survive in a  
worl What is impressive is the way Bond uses six pictures his version of scenes in the script to assemble a living  
portrait of a future in which unyielding bureaucracy is the chief instrument of state power unlike anything else Bond s  
production has t
