Selling Scripts to Hollywood:

0 of 0 review helpful There are other screenwriting books I'd recommend before this one By A Williams What bothered me about this book was at the end I was like hm so what did I learn from reading this and I couldn't come up with a whole lot The thing is a good portion of the information contained in this book I already knew from reading other titles like How to Sell Your Screenplay A Realistic Guide This upbeat resource book is full of encouraging advice to budding screenwriters on just how to prepare submit and sell their movie scripts From structuring the plot and formatting the script to finding an agent and negotiating the best deal this insider's information covers all the bases Tips are offered for developing characters and storylines using scriptwriting computer programs sending letters to prospective agents working with directors getting along After a brief reality check and a bit of a pep talk author Katherine Atwell Herbert gets down to business basics in Selling Scripts to Hollywood This work is highly functional and almost utilitarian in presentation But Ms Herbert colors this down to ear
