2 of 2 review helpful Happy to find this in an Easton Press edition By Z Hayes As a former English major and current English teacher I am fond of reading literary works both English and American I was pleasantly surprised to find Oliver Goldsmith s play in five acts She Stoops to Conquer in this handsome 1978 Easton Press edition The title it is also known as The Mistakes of a Night is taken from Apra Behn s mid In She Stoops to Conquer or The Mistakes of a Night a young lady pretends to be a servant in order to win the notice of a young man who is painfully shy around women of his own class Hilarious misadventures and mayhem ensue before matters are neatly wrapped up at the end This play one of the great English comedies was first performed in 1773 and continues to be very popular with audiences today About the Author Oliver Goldsmith
