Basil Macdonald Hastings's dramatization of Joseph Conrad's Victory enjoyed a run of over eighty performances at London's Globe Theatre in 1919 with actor-producer Marie Lohr in the role of Lena. It remains the most successful stage adaptation of Conrad's fiction and Conrad himself was closely involved in the development of the script. This generously illustrated volume presents the complete script of Macdonald Hastings's play, the collected theatre reviews of the play, and the author's introduction. About the Author: Richard J. Hand is Professor of Theatre and Media Drama at the University of Glamorgan, Wales, UK. He is the author of *The Theatre of Joseph Conrad: Reconstructed Fictions* (Palgrave, 2005) and has published numerous articles and books.
