1 of 1 review helpful Easy for better or worse By Robin This book is easy to read which can be helpful at times But the information is also pretty basic and might not be as helpful as a more in depth text Streetwise Business Communication is the complete reference for all small business owners who struggle to come up with a clear and concise message and the means with which to communicate that message Often times business owners are unclear about how they should communicate with their clients and staff and end of using email when they should pick up the

phone or spend hours writing a memo when a quick broadcast email would have been more effective and efficient W
About the Author Joe LoCiero has been a marketing consultant and master of communication for the past fifteen years
and has been integrally involved ith the marketing strategy for hundreds of cable and network television programmes
as well as numerous products
